An excellent premiese. Awesome sound effects. 1950's B-Movie aesthetic. For some reason, there doesn't seem to be any way to convert humans in order to upgrade things. This really needs to be fixed. <https://youtu.be/Gyib0wywAf4>. An excellent premiese. Awesome sound effects. 1950's B-Movie aesthetic. For some reason, there doesn't seem to be any way to convert humans in order to upgrade things. This really needs to be fixed. <https://youtu.be/Gyib0wywAf4>
